PROFILE

Nice to meet you, my name is Rafael Iassuo Fassimoto. I am an Illustrator and Graphic Designer. I have more than 10 years of experience. I have worked on several projects, creating illustrations, visual identities, animations, mascots, screens for websites and web applications. I've done work for brands like LG, CBRE, Abril Company, Crescer Magazine and Amil Health Plan. I hope we can talk and maybe open another successful chapter together.

EXPERIENCE

2023 - Currently - Illustrator - Cordel D'Prata Publishing House

Portuguese publishing house where I currently develop illustrations for children's books.

2022 - Currently - Graphic Designer and Illustrator - Freelancer

I develop visual identities, illustration and graphic design work for several clients.

2012 - 2022 - Illustrator and Web Designer - Eggtech Services Ltd.

IT and Web Applications company. Where I developed illustrations, screens for web applications, icons for applications, institutional mascots, screens for infographics and other graphic projects.

2010 - 2012 - Graphic Design Intern - Secretary of Sports from São Paulo City

I participated in the visual development of several sports events for my city. I revitalized the mascots of the public school sports program of the city.

EDUCATION

2008 - 2011 - Bachelor in Graphic Design, for Presbyterian Mackenzie University, São Paulo – SP.

2024 - Graduated in Storyboard Fundamentals at Panamericana Escola de Arte e Design.

2022 - 2023 - Graduated in Concept Art at EBAC, British School of Creative Arts and Technology.

2017 - 2018 - Graduated in Illustration at Quanta Art Academy.

AWARDS

2017 - Artwork selected to appear in the gallery of the comic 'Street Fighter VS Darkstalker'.

Contest held by Capcom Company and Udon Entertainment Studio.

2014 - Globo Editorial Journalism Award - Best Video:

Animation work in partnership with Crescer Magazine.
